- Kannada
- Hindi
- English

CERTIFICATES

- HTML/CSS Bootcamp
- Tailwind CSS Bootcamp
- Javascript Bootcamp
- Google UX Design Certificate
- Microsoft UX Design Certificate
- IBM UI/UX Design

PROFILE

I'm a final-year BCA student passionate about web development, currently focused on learning full-stack development using the MERN stack (MongoDB, Express.js, React.js, Node.js). I'm building a strong foundation in JavaScript, frontend development, and UI/UX design principles. Although I don't have professional experience yet, I'm consistently practicing by building small projects and learning from online platforms. I'm eager to grow as a developer, work on real-world challenges, and contribute

PROJECTS

Netflix Clone

Build Using HTML and CSS

- Built a responsive front-end clone of the Netflix landing page using HTML5 and modern CSS techniques.
- Implemented layout sections like Hero, Features, FAQ, and Footer with mobile-first responsiveness and clean UI.
- Used CSS Grid and Flexbox for adaptive layouts, and embedded video playback to simulate dynamic content.

Amazon Clone

Build Using HTML and CSS

- Recreated the Amazon home page using HTML and CSS, focusing on pixel-perfect layout and responsive design.
- Implemented a fully structured header, navigation bar, product grid, and footer, simulating a real-world e-commerce UI

Portfolio Website

Build Using HTML and Tailwind CSS

- Designed and developed a personal portfolio website using HTML5 and Tailwind CSS with fully responsive layout and smooth scrolling.
- Showcased multiple frontend clone projects with sections like Hero, About, Projects, and Contact using modern UI/UX design practices.
- Integrated downloadable resume, GitHub and LinkedIn links, and project cards for real-world project presentation.

EDUCATION

Bachelor of Computer Application

Bhandarkar's Art's and Science College | Mangalore University

CGPA: 8.91 / 10.0 (Current-3rd SEM)

2023 - 2026
